

Comprehensive Workforce Planning: **RECRUITMENT & RETENTION**

When: March 23, 2021, Noon MT

Where: Virtual

Cost: \$25

Target Audience: Financial Directors, Operations, Board of Directors, and Quality Improvement

Overview: AUCH is partnering with the Association of Clinicians for the Underserved (ACU) and Ann Hogan Consulting LLC, to launch a Comprehensive Workforce Planning training with subsequent workshops. The goal of this project is to develop and implement a comprehensive workforce plan for each organization to optimize recruitment and retention plans for the future and current workforce. Topics covered in the initial training will include recruitment and retention plan tools and strategies, operational assessment, strategic planning, and the core components of a comprehensive workforce plan. A Workforce work group will then begin meeting the third Wednesday of every month (April-September) to develop and implement a comprehensive workforce plan for each organization.
