

A COMMITMENT TO QUALITY CREATING A CULTURE OF DATA TRANSPARENCY USING AZARA DRVS

WHEN:

Thursday, September 8, 2022, 12:30pm-1:30pm MT

ATTENDANCE OPTIONS: Virtual: Zoom (links will be provided prior to the event)

COST:

Free

TARGET AUDIENCE:

Medical Directors and Quality Improvement Staff

OVERVIEW:

Join us for an energizing look at how one high-performing health center system uses Azara DRVS to support their commitment to data-driven quality care for their patients. Dr. Sumar will discuss the ways that her informatics team harnesses goals, regular transparent data-sharing, and provider engagement to succeed at quality care.

Presenter:

Kamal Sumar MD, MBA, CPE

Associate Chief Medical Informatics Officer at Adelante Healthcare, Phoenix, Arizona
